

Pal Craftaid: Partnering with Palestinians for Economic Justice

Partners for Just Trade is offering Pal Craftaid's products with proceeds being donated to the Palestinian artisans and supporting organizations. Pal Craftaid has gone out of business; products and limited quantities available for this one-time opportunity are provided in tables below. **Order now!!!!**

Pal Craftaid purchased olivewood sculptures and traditional Palestinian needlework through Fair Trade Organizations and sold throughout U.S. churches. Behind each piece is a face, family, and critical need. Pal Craftaid supports partner agencies, organizations, and schools in the Palestinian Occupied Territories such as Aid to the Aged, Rawdat El-Zuhur, Atfaluna Society for Deaf Children, Arab Orthodox Society, a Christian women's organization, and YWCA of Palestine with sites in Jerusalem, Ramallah, and Jericho. YWCA empowers Christian and Muslim women through vocational training, offering income to women in refugee camps, and promotes women's rights and youth leadership training. They plant olive trees where orchards were bulldozed by settlers. Support these organizations through your holiday sales this year!
